This fee schedule supersedes all previously issued fee schedules.

Effective Date: February 15, 2022

The Federal Grain Inspection Service (FGIS) must approve all fees for official services and all Official Agencies will assess only those fees appearing in their current approved fee schedule.

Regular Hours – All Locations

0700 Hours to 1500 Hours Monday through Friday, except Holidays

Overtime Hours – All Locations

Saturday and all other weekly hours, other than regular hours, shall be considered overtime. For services performed outside of regular hours overtime rates shall be applicable.

Double Time Hours – All Locations

Sunday and all Holidays

Minimum Fee

A four (4) hour minimum charge at the applicable hourly rate will be assessed for services requested and for services that are cancelled after personnel are in route.

Standby/On-Call Rates

Standby/on-call charges will occur when an applicant requests personnel to be available but not on-site. The elevator must establish a start/notification time for agency personnel to be available for work. If work is not performed at this time and personnel are requested to be on standby/on-call, hourly rates will be assessed until loading commences.

Cancellation Rates

If a start time is requested and withdrawn prior to the requested start time, a four (4) hour per person cancellation fee will be assessed at the applicable hourly rate if the service request is cancelled after 3p.m. local time of the preceding regular work day. The elevator must contact agency personnel prior to the requested start time to report loading status or delays.

On-Site Inspection Services

Applicable hourly rate per person plus unit fee if personnel are available. Elevator will be charged at the hourly rate and one (1) railcar/container per quarter (1/4) hour of standby time. Mid Iowa reserves the right to determine the number and type of inspection personnel to properly service the customer.

Requests for Service

Requests for service must be made by 3:00pm local time on the preceding business day to allow for adequate staffing for service requests. Requests received after 3:00pm will incur a four (4) hour charge.

Holidays

New Year's Day, ½ day New Year's Eve to be observed in the afternoon, Presidents Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and the day after Thanksgiving, ½ day Christmas Eve to be observed in the afternoon, Christmas Day, and Veterans Day. If a holiday falls on a Saturday Mid-Iowa Grain Inspection will observe the holiday on the preceding Friday. If the holiday falls on a Sunday Mid-Iowa Grain Inspection will observe it on the following Monday.

Overtime Mechanical Truck Sampling and Inspection Assessment

A minimum of 15 trucks per hour will be assessed for all requested overtime and holiday hours.

Personnel Safety

It is the customer's responsibility to make the grain or stowage area accessible on all types of carriers. It is the customer's responsibility to ensure that doors/lids are safely accessible and in proper working order. MIGI personnel will not open or close doors/lids if their safety is in jeopardy. There must be a minimum of two (2) people in visual line of sight of each other at all times, this can be one (1) MIGI employee and one (1) customer employee. This is to render aid if needed and could be to call for assistance. If fall protection is available railcars must be located under said fall protection prior to MIGI providing any service(s) accessing the top of the railcar.

Weather Policy

MIGI will adhere to the following inclement weather policy: Sampling and stowage examination requests may be delayed or dismissed when any of the following conditions exist: High winds or rainfall that create conditions which are either dangerous to employees and/or degrading to the grain being sampled, lightning, snow and/or ice and any other weather related and/or facility related specific conditions that could put the MIGI employees providing the service in jeopardy. Adequate lighting must be provided when onsite services are requested after sunset.

Mileage Rate

The IRS standard rate will be assessed for all services on a portal to portal basis. Any change to the mileage rate will become effective when the IRS standard rate changes. Mileage will be prorated when possible.

FGIS Administrative Tonnage Fees

In addition to all other applicable fees, FGIS administrative tonnage fees for export grain shipments inspected and/or weighed, excluding land carrier shipments to Canada and Mexico, will be assessed at the current per metric ton rate identified in

FGIS Directive 9180.74 Service Fees and Billing Codes, Attachment 1. Invoices will identify assessed administrative tonnage fees as separate line items per applicable carrier/unit type.

FGIS Supervision Fees

In addition to all other applicable fees, FGIS supervision fees for domestic U.S. grain shipments inspected and/or weighed, including land carrier shipments to Canada and Mexico, will be assessed at the current per metric ton rate identified in FGIS Directive 9180.74 Service Fees and Billing Codes, Attachment 2.
